Fostering scientific temper

STEM (Science, Technology, Engineering and Mathematics) based Training is a global effort to empower students and adults to create, innovate, tinker and make their ideas into reality. Program was implemented with the support of REPCO Home Finance. The program aims to reduce dropouts, promote scientific thinking, and improve the quality of education at Government Schools.

Extending Gratitude!

Desperate times; Disruptive measures

Covid-19, with all the havoc it has caused, has extended an opportunity to Abhyudaya to serve the needs of the society beyond education. Mothers of our students who have lost jobs in garment factories were provided with sewing machines to earn their livelihood.

Proposal for a better tomorrow

Abhyudaya presented a proposal for increasing the use of cycles, Metro, and walking in Anjanapura ward to support sustainable mobility.

Neighborhood's vision towards sustainable urban mobility

- Promote use of Cycle
- Promote walking
- Conduct awareness programs in parks, colleges, religious places
- Conduct Walkathon
- Conduct Cycle Rally
- Ask people to take oath to travel by cycle or public transport
- Encourage people to stop using private own cars
- Conduct rally with banners
- Educate people on Climate change and pollution
- Visit Schools and educate children and ask them to teach the same to their parents
- Provide BMTC timetable to people

Mobility related issues in neighborhood

Heavy traffic during peak hours due to usage of Cars

News Letter: Nov-Dec 2020

Bridging the Infrastructural Gaps

With learning moved to virtual medium, the dearth of infrastructure and access to it has been brought to the forefront.

A smartphone was gifted to Vinod from Kanakpura village and Roji Mohara. Vinod is pursuing BSc degree at Vijaya College and a UPSC aspirant. Roji Mohara is doing her BBA at Silicon City College. We thank Rohit of Budli.in for supporting the online education of socially deprived students. We are also indebted to Ripu Daman Bevli, known to people as Plogman of India for connecting Abhyudaya to the donor.

Honours and Laurels

We have been awarded the prestigious GuideStar India’s Transparency Key award for 2021 and have joined India’s largest pool of credible NGOs after undergoing a rigorous due diligence process.

Guide Star India’s Transparency Key is the Foundation Level certification indicating that the organisation has filed annual income tax returns as a tax-exempt entity and has shared the same in the public domain.

Scaling new heights

We acknowledge and express gratitude to the volunteers for our nomination for the 2021 #WISE Awards by Qatar Foundation. Such nominations vouch for the coherence of our actions and also motivate our volunteers.

Championing the SDG goals

Activities of Abhyudaya are in line with Sustainable Development Goals (SDG) by the UN and we identify our efforts with 13 of the 30 goals of SDG. We do extend our gratitude to Prateek Kumar Naidu for the opportunity to attend a webinar and we also thank Dr. Shalini Rajneesh Additional Chief Secretary, Planning Department, and Government of Karnataka for her guidance.
